When it comes to purchasing eyeglasses your prescription is just the start. You need someone who can recommend the type of lens that fits your visual needs, and perform the proper measurements; someone who can select a frame style that enhances your features, and fits your fashion sense.

Finally you want someone to provide individualized service and who will work with you until you are completely satisfied with your eyewear.

Our Opticians are trained to take advantage of the latest technology.

**Leonel Lee and Cherie Swanson**, have many years of experience in the optical field and will help you find the style you want while keeping your budget in mind.
